Community

Clinton, SC is a beautiful and friendly community located in desirable Upstate South Carolina near the intersection of two Interstate Highways and is less than three hours drive from either the majesty of the mountains or the salty spray of the coast. The area is surrounded by beautiful lakes along with Lake Greenwood offering 212 miles of shoreline. Recreational activities abound including Musgrove Mill Golf Club (an Arnold Palmer signature course). You may also want to experience our award winning residential communities, a historic downtown square, magnificent architecture, art, culture, specialty shopping, and fine dining. Clinton has an excellent public and private educational system as well as a fully accredited four year private college with a complete athletic program and invigorating activities for the public including lectures, concerts, recitals, dramatic productions, dance performances, films, and art exhibits. Laurens County's renowned quality of life is nothing short of enviable. This community which has retained its small town feel continues to celebrate the seasons with summer park concerts, holiday house tours, and street festivals. The population is approximately 70,000 in the county and more than 9,800 in the city of Clinton.

Opportunity

The Family Healthcare Center. This is a very busy practice of four physicians, two nurse practitioners, and an onsite psychologist serving Laurens County and beyond. The physicians do both inpatient and outpatient work with a call schedule of 1:4. The new associate would be stepping into an immediate patient base. The Family Healthcare Center has developed a state of the art Electronic Medical Record (EMR) and has been recognized by COHSEC as a Cardiovascular Center of Excellence. The physicians are also active in performing minor surgeries, endoscopy, and colposcopy. The office is located a block from Laurens County Health System and is equipped with lab, x-ray, EKG, stress and ECHO. The Family Healthcare Center is affiliated with Self Regional Healthcare, a 414-bed regional referral hospital in Greenwood, SC. Please visit the website, www.thefhc.com.

Hospital

Laurens County Health Care System opened in 1990. This state of the art 90 bed facility (76 acute and 14 skilled nursing) has a new outpatient treatment center. It is fully accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and retains more than 450 full-time and part-time employees and 60 volunteers, in addition to a quality medical staff of more than 48 physicians and 65 consulting physicians.
