2017 Diabetes Camp

Monday, June 12 – Friday, June 16

Self Regional Healthcare
Diabetes Education Center
1226 Spring Street
Greenwood, SC 29646
Phone: (864) 725-5007

About Self Regional Healthcare Diabetes Camp

The Diabetes Education Center offers a day camp for a week each summer, held at the Greenwood YMCA. Campers ages 6-18 get a chance to meet and interact with other children who have diabetes and learn about disease management. Camp involves a variety of physical activity and fun activities throughout the day. Scholarships are available for those who qualify.

Camp goals include:

- Diabetic children will learn to be more personally responsible for their disease. Camp enables them to meet and interact with other children who have diabetes.
- Campers will learn more about using the insulin pump. Those already on the pump will master bolusing and troubleshooting.
- Younger campers with diabetes will learn how to master insulin administration, interpret self-monitoring values, sick-day guidelines and carbohydrate counting.
- All campers will have fun and learn that they can live long, productive lives.

Activities include:

- Badminton
- Basketball
- Hiking
- Swimming
- Racquet Ball
- Volleyball
- Climbing Wall

Registration

Children attending camp must be registered with signed permission slips by May 15, 2017. Sorry, no exceptions!

Campers are to meet at the Greenwood YMCA, 1760 Calhoun Rd. Greenwood, SC 29649, at 9 a.m.

If a camper will be absent, parents must call a staff member beforehand. Campers are to be picked up at 4 p.m. Monday – Thursday and 2 p.m. on Friday (after the picnic).
