SELF REGIONAL HEALTHCARE | COMMUNITY HEALTH COMMITTEE

Funding Opportunity Overview

Community Health Committee (CHC) funding supports projects that produce direct, measurable health benefits for residents of Greenwood, Abbeville, Edgefield, Laurens, McCormick, Newberry, and Saluda counties.

Who May Apply

- Tax-exempt under Section 501(c)(3); Tier 1 and 2 applicants must hold status for at least two years before the deadline.
- In good standing with federal, state, and local filing requirements.
- Active governing board and the capacity to manage grant funds.
- Provides services in at least one Self Regional Healthcare service area county.

CHC Funding Goals

Projects must support at least one goal:

- **Improve prevention, treatment, and early detection** of diseases affecting area residents.
- **Promote healthy lifestyles** and reduce conditions tied to unhealthy behaviors.
- **Address social determinants of health**, such as access, transportation, housing, and food security.

Funding Priorities

Competitive projects should demonstrate:

- Alignment with CHC goals and current CHNA priorities.
- A clearly documented community need and measurable health impact.
- Feasible implementation, organizational capacity, and a reasonable sustainability plan.
- A clear project budget and meaningful community partnerships, when appropriate.
- Benefit to vulnerable, underserved, or high-risk populations, where applicable.

Required Application Documents

- IRS 501(c)(3) determination letter
- W-9
- Most recent tax return or Form 990
- Current annual operating budget
- Detailed project budget
- Most recent financial statements

Incomplete applications or applications missing required documentation may be deemed ineligible for review.

Funding Levels

Funding Tier	Request Amount
Tier 1	$50,001–$125,000
Tier 2	$25,001–$50,000
Tier 3	Up to $25,000

Applicants should select the funding tier whose criteria best fit the proposed project. The amount requested must fall within the selected tier's funding range. The committee will confirm final tier placement during review.

Placement within a tier does not guarantee an award or the full amount requested.

Funded Organization Expectations

- Implement the project according to the approved scope, budget, and timeline.
- Account for grant funds and report material project changes.
- Submit, on-time, required six-month progress update and a final report covering activities, expenditures, outcomes, and progress toward approved goals.
- Obtain written approval for extensions or amendments.
- Return unspent or misused funds as required by the grant agreement.
- Acknowledge Self Regional Healthcare as a funding partner on applicable funded materials.

A grant agreement signed by Self Regional Healthcare and the funded organization will be required before the disbursement of funds.

Our Focus

The Community Health Committee seeks to invest in projects that strengthen the health and well-being of the communities Self Regional Healthcare serves. Applicants should clearly demonstrate **who will benefit, what community need will be addressed, how grant funding will be used, and how success will be measured.**

If you would like to discuss your project concept before preparing a proposal, or if you have questions about this funding opportunity, the application process, or required documentation, please contact the Grants Management Office at grants@selfregional.org. Full eligibility requirements, evaluation criteria, and the submission checklist are in the Grant Funding Opportunity document.
