About Edgefield County Healthcare

Since January 1972, Edgefield County Hospital, now Edgefield County Healthcare, An Affiliate of Self Regional Healthcare (ECH), has offered high quality care to the residents of Edgefield County and the surrounding areas. When visiting ECH, patients can find comfort in being close to home while receiving advanced medical care.

It has always been our mission “to provide quality and appropriate care to all people,” and after many years and various changes throughout the organization, that mission still holds true today.

As affiliates of Self Regional Healthcare – just down the road in Greenwood – we have access to resources, diagnostics and technology of a nationally recognized regional referral center serving the entire Lakelands of South Carolina.

Our Services

Emergency Department

Open 24/7, our Emergency Department is staffed with Family Practice physicians who are always on-site, ready to deliver compassionate care when you need it most.

Swing Bed Program

This extended hospital stay program provides homebound patients with the care they need, minimizing the stress and anxiety of rehabilitation and aids in the transition of going home after a long hospital stay, trauma or surgery.

General Surgery

From pre-op to post-op, the specially trained, highly skilled staff can assist with most type of surgeries.

Podiatry

Complete podiatric services to include outpatient surgical procedures and outpatient office visits.

Mobile Mammography Unit

Traveling all over the Lakelands, our Mobile Mammography Unit makes weekly visits to Edgefield County, offering a convenient way to receive yearly breast screenings.

Primary Care Services

Edgefield Medical Center, the family physician practice housed in the medical office building on the ECH campus, provides Edgefield with primary care services and a rotation of specialists in the fields of pediatric care, cardiology, orthopedic, urology and gastrointestinal services.

Rehabilitation

Specialized physical therapists assist patients recovering from all types of surgeries and battling a variety of diseases return to their fullest potential.

Radiology

Full service radiology department including fluoroscopy, ultrasound, CT scan, and MRI.

Pharmacy

Edgefield Community Pharmacy provides fast, convenient care with a 24/7 prescription pickup kiosk, allowing patients to securely access their medications anytime, day or night.

Short Term Acute Inpatient

24/7 Laboratory Services

Specialized Services

Orthopedic

Our board-certified surgeons offer top-rated care in a wide variety of orthopedic services, providing each patient with a personal, comprehensive approach, designed to minimize pain and restore quality of life.

Cardiology

Our heart and vascular care expert provides a comprehensive, individualized approach for each patient. This serves as a direct referral for scheduling cardiology testing or procedures performed at Self Regional Healthcare.

Gastrointestinal

Our board-certified gastrointestinal specialist provides exceptional care in the diagnosis, treatment and prevention of digestive system diseases.

Pediatrics

Our on-staff pediatric provider specializes in newborn care, childhood well checkups, immunizations and much more.

“Edgefield County Healthcare, where you’re a name, not a number.”
